Hey Sonja,

I still haven't testified if you can believe that. I am due back at 2:15 and should be able to get on the stand by the end of the day. I have been in touch with nancy brooks and she knows of my dilemma. If by slight chance they don't get to me today I will testify first thing tomorrow and then head out to Sudbury. She said that was fine and you are still welcome to go at 9:30. I will inform Gulluni that I need to get done today. Anyway, I am 99% sure I will see you at 9:30 in Sudbury. She said there is plenty of parking.

Have a good afternoon,

Rebecca
